**SUGGESTIONS FOR A BLISS**

**Hebrew Heron**

"I saw a HERON speaking Hebrew on the way into class today. He really needed a haircut... I wish I had brought my SCISSORS with me. He was cruising around the beach where I was having a picnic. He tried to eat my SANDWICH. I was sitting at a picnic TABLE under a shady TREE.

**I Went to a Kibbutz**

"Did I ever tell you about the time I stayed on a Kibbutz? There was a big farm there and I had to PLOW the fields before I could watch TV (TV pose). My mom would say, '(Your name), it's time to PLOW the fields, stop watching TV.' So I would PLOW the fields, but I really wanted to come back and watch TV. (Do this over and over - it's fun!) When I was finished I would go out and play with my DOGGIE in the field. He only had THREE LEGS but he was a great doggie, and we had lots of fun together. Everybody WALK YOUR DOGGIE. Let's take a rest by the TREE."

**Ride Your Bumpy Camel Across the Negev**

Start in COW FACE and go for a camel ride through the desert viewing cool things: COBRAs, desert FLOWERs, etc. Make sure you bump around a lot or go from side to side across the desert.

Totally cool dismount to go the other way. "Look over there. I see bedouin DANCERS!"

**JEWISH FOOD**

Let's make some of our favorite Jewish foods. What are some of your favorites? Bagels are one of my favorites. Grab the ingredients and put

them in our bowl (legs wide, backs straight) Mix it all up, stir left then stir right. Ok, I think it's perfect. Let's roll out the dough- (TOOTSIE ROLL). What about Challah? This is a special bread that is braided. Let's braid our bread now. TWIST RIGHT, TWIST LEFT. Who likes Gefilte FISH? What do we eat when we have a cold (or anytime for that matter?) They call it the best medicine, matzo ball soup. Let's make our matzo balls! HUG KNEES and ROCK N ROLL 3 times and then roll right up to standing. You can invite the children to make up poses for some other favorite Jewish foods, such as: Blintzes, Kugel, Macaroon, Rugelach, etc.
